## TOTAL COMFORT SAVINGS AGREEMENT

### Why Invest In A Total Comfort Savings Agreement?

A Total Comfort Savings Agreement provides you with routine maintenance on your equipment which yields the lowest overall operating cost while giving you the peace of mind of knowing that your system is reliable and operating efficiently.

#### REDUCE YOUR FUEL BILLS

By cleaning and calibrating your equipment on a regular basis, the use of energy will be maximized, therefore keeping your fuel bills to a minimum.

#### PROLONG EQUIPMENT LIFE

Routine maintenance keeps your equipment in top operating condition. This prolongs its life, therefore lowering your annual cost of equipment.

#### MAXIMIZES SAFETY

Routine maintenance assures the safe operation of your equipment by correcting potential problems before they occur.

### What Are The Specific Benefits?

- ▼ Bi-Annual Clean and Check of Your Equipment
- ▼ 15% Discount on Required Parts and Labor
- ▼ 5% Discount on Equipment Replacement or Upgrades
- ▼ No Overtime Charges
- ▼ Priority Emergency Service

- ▶ Twice yearly cleaning on your equipment. In the fall your heating equipment will be checked and your cooling system will be checked before summer, ensuring you are ready for the coming weather.
- ▶ Should you require service you will receive a 15% discount on any required parts and labor, taken directly off of the final invoice.
- ▶ 5% off equipment should you need to replace or upgrade your heating or cooling system.
- ▶ Under our agreement we will waive our normal after-hours / overtime fees. You pay a flat rate, any time.
- ▶ When you call with a problem, it will get priority placement. We will ensure your system is working, exactly when you need it to.
